## **Calendar of Activities**

The calendar of activities is constantly being updated. It has been omitted from this manual to avoid any references to an outdated calendar. Please refer to the North Carolina FBLA website for the current calendar ( [www.ncfbla.org](http://www.ncfbla.org) ).

# Membership

## Membership Classifications

**Active membership** in FBLA is available for:

- high school students who are enrolled in at least one business course during the school year or who have already completed at least two business courses
- middle school students who are enrolled in a business course during the school year or have completed one business course.

If your school has semester courses, an active member may be enrolled in a business course either first or second semester. Professional membership is automatic for local chapter advisers. A listing of business courses is found below in the Career Clusters. We also have Partnering Opportunities that count as business courses.

**Associate membership** is available for those students who are not taking a business course this school year and have not completed two business courses, but who want to participate in FBLA activities by paying both state and national dues. Associate members may participate in committee work, school and community/service projects. Associate members **cannot** participate in competitive or recognition events, serve as voting delegates or campaign for office.

**CAREER CLUSTERS (click on the link for Career Clusters: Business, Finance and Information Technology ONLY)**

**Business courses approved for NC FBLA membership include Cluster Foundation or Enhancement courses located on pp. 5, 7 and 12 of the following document for Career Clusters in Business, Finance or Information Technology.**

<http://www.ncpublicschools.org/docs/cte/standards/2012/career-clusters.pdf>

## PARTNERING OPPORTUNITIES

There are several programs (such as the National Academy Foundation or NAF) program that we list as "partnering opportunities" in our standard course of study. We do not provide the curriculum, but we recognize those courses as contributing significantly to our standard course of study, and we allow students taking those courses to be active FBLA members. Those partnering opportunities are listed on page 38 of the Standard Course of Study.

The following are external nationally recognized programs. The participants must be members of schools of these organizations and follow the curriculum requirements of these partnerships. NCDPI will not provide any curriculum materials for these programs.

- International Baccalaureate (IB) Business Management
- International Baccalaureate (IB) Information Technology
- National Academy Foundation (NAF) Academy of Finance
- National Academy Foundation (NAF) Academy of Information Technology

## State Fund-Raising Projects

Listed below are several state endorsed fund-raising projects for NC-FBLA chapters. This means that if your local chapter chooses to sell these products, the state chapter will receive a percentage of your gross sales. This amount is in addition to the profit earned by the local chapter. The rebate earned for the state chapter will not have any effect on local chapter profits.

For the last several years, these rebate funds have been used to offset the cost of sending the State Leadership Conference winners to the National Leadership Conference. Please consider these fund-raising projects when planning your local chapter program of work.

## Regional Conferences

### REGIONAL FALL LEADERSHIP CONFERENCES (RFLC)

NC FBLA Fall Leadership Conferences are held to offer development workshops to FBLA members and to introduce other students to FBLA and what it has to offer. Most regions, though not all, have these conferences each year.

To see the schedule of RFLC for the year, reference the online calendar at [www.ncfbla.org](http://www.ncfbla.org).

### PERMISSION FORM/CODE OF CONDUCT

A sample permission form has been included on page 19 for local chapter use. This form is designed for use with FBLA conferences and related activities.

Also included on pages 20 is the DELEGATE CODE OF CONDUCT. This document is found in the online registration site. For State Leadership Conferences it should be printed from the online registration, signed by **all** students and advisers attending regional and state conferences. For Regional Conferences it can be printed from this manual and must be signed by **all** students and advisers attending.

### REGIONAL COMPETITIVE EVENTS CONFERENCES

A Competitive Events Conference is scheduled for each FBLA region. Each local chapter will receive registration information/materials from the Vice President of your region. Conference dates are listed in the Calendar of Activities. Please check the state calendar to see what the deadline is for your region. Refer to the calendar link: <http://ncfbla.org/calendar/> or to download a Word document go to: <http://ncfbla.org/documents/>

*Local chapter advisers who have not received conference registration materials at least five weeks prior to the scheduled conference date should contact their regional adviser. Email addresses for regional advisers are listed on page 11 under State Officers and Regional Advisors.*

Much of the success of the regional meetings depends upon everyone's cooperation. It is possible that a chapter will be disqualified from participation if they fail to meet the deadline date for submitting registration materials and entry forms. **The Registration**

**Form** should be returned to the **regional adviser** by the **receipt deadline** noted in the Calendar of Activities. **Regional Competitive Event Entry Forms**, found on page 22, should be mailed to your **regional board member**. Refer to the Board of Directors' Section for names and addresses of your regional board member.

## LIST OF REGIONAL COMPETITIVE EVENTS

Refer to the NC FBLA Competitive Events Program – <http://ncfbla.org/documents>

## COMPETITIVE EVENT ELIGIBILITY

Student members participating in regional and state competition must be **ACTIVE** FBLA members. Active membership means that a high school student is enrolled in a **business** course during the school year (or has already completed **at least two business courses**) and has paid both state and national dues; or that a middle school member is actively enrolled in a business course or has completed **one** business course. State dues must have been postmarked by **November 1** for students to be eligible for regional competition.

## ABOUT COMPETITIVE EVENT ENTRY FORMS

Entry forms are generic so that the same form may be used for several events. However, only one entry is to be recorded on a form. Chapters should **key** one entry form for each student competing. Forms may be found starting on page 22.

All information should be keyed on the competitive event entry forms and the forms must be mailed to the regional board member by the date selected (please refer to calendar: <http://ncfbla.org/calendar>

Regional competitive events will be conducted according to the event guidelines in the NC FBLA Competitive Events Program. Students who do not adhere to the guidelines will be disqualified. If you need a copy of the guidelines check the website <http://ncfbla.org/documents>

The first, second, and third-place winners from each region will advance to competition at the State Leadership Conference. The winners of the NCBEA Outstanding Student Service Award and Regional Businessperson of the Year will be recognized at the Regional Competitive Events and the State Leadership Conference.

## REGISTRATION PROCEDURES FOR REGIONAL COMPETITIVE EVENTS

You will receive detailed information regarding the competitive events from your respective regional vice president and regional adviser. Please return the registration information and required fees to your regional officer/adviser by the stipulated deadline.

*Local chapter advisers who have not received conference registration materials at least five weeks prior to the scheduled conference date should contact their regional adviser.*

## HOME SITE TESTING

NC FBLA uses home site testing to administer Word Processing and Computer Applications. Local chapters are permitted to conduct the production portion of these events at the student's home school. This allows students a better opportunity to demonstrate proficiency on familiar equipment and eliminates the difficulty schools have in bringing equipment to conferences. Students participating in home site events must be registered for the Regional Competitive Events Conference in their region by the designated deadline.

Local chapters must identify an impartial test administrator (**not a *business teacher*** in the department) to administer the test. This person will be required to sign and date a release form indicating that the test has been administered according to regulations. A Test Administrator Identification Form is provided in this book on page 25 .

The Test Administrator Identification form is to be mailed to the regional adviser ***with your Competitive Events Conference registration materials by the indicated deadline date.*** Upon receipt of the identification form, the regional adviser will send the test, administrator release form, guidelines, script, and return envelope to the test administrator you have identified. Tests are confidential and cannot be mailed until a Home Site Test Administrator Form has been keyed and submitted.

After the test is completed, all materials (test, administrator release form, guidelines, script, data diskette and student's test documents) must be placed in a return envelope and mailed to the regional adviser by the stipulated deadline. This is important as the competitors will be disqualified if the tests are postmarked at a later date. No exceptions will be made. It is suggested that local chapters return test packets by certified mail. FBLA will not be responsible for test materials lost in the mail or not postmarked and/or not received by the deadline. Home site tests are confidential and **ARE NOT TO BE COPIED.**

Students participating in home site test events will be required to take an objective test at the Regional Competitive Events Conference. **Chapters may not substitute competitors in these events.** Identification may be required. These tests will contain material related to the specific event. The objective portion of the test will weigh 15% of the final results. Both parts of the tests will be graded at the conference.

REGIONAL/STATE LEADERSHIP CONFERENCE**

**DELEGATE CODE OF CONDUCT**

One of the goals of FBLA is to facilitate the transition from school to work. Individual conduct and appearance is a part of that training. It is a special privilege to attend an FBLA conference and it is the responsibility of all delegates to conduct themselves in a proper, businesslike manner at all times.

FBLA members have an excellent reputation. Your conduct at all FBLA functions should make a positive contribution to the reputation that has been established. Listed below are conduct rules for regional and state conferences.

All delegates shall behave in a courteous and respectful manner, refraining from language and actions that might bring discredit upon themselves, their school, or FBLA.

Conduct not conducive to an educational conference is prohibited. Such conduct includes, but is not limited to, actions disrupting a businesslike atmosphere, association with non-conference individuals or activities which endanger self or others.

Delegates shall keep their advisers informed of their activities and whereabouts at all times. Accidents, injuries or illnesses must be reported to the adviser immediately.

Curfews are listed in the conference programs. Curfew will be enforced by local and state advisers, professional division members and security personnel. Curfew is described as being in your assigned room by the designated hour.

No alcoholic beverages or narcotics of any form shall be in your possession at any time, under any circumstances. Use or possession of such substances may subject the delegate to criminal prosecution.

Conference delegates are guests of the hotel and convention center and must not deface or destroy property. Do not throw ANYTHING out of windows or over balconies, not even water. Any damages to property or furnishings in the hotel or convention center will be paid for by the individual or chapter responsible.

As a delegate to the any of the FBLA Leadership Conferences, permission is granted to make photographs, videotapes, broadcasts, and/or sound recordings, separately or in combination, available for reproduction for educational and promotional purposes by State and National FBLA.

Advisers are responsible for the supervision of delegate conduct. Delegates who disregard the code of conduct will be subject to disciplinary action and can be sent home at their own expense. Parents will be notified.

### National Leadership Conference (NLC)

FBLA-PBL members have the competitive edge, as the best and brightest of FBLA and PBL convene to compete in leadership events, share their successes, and learn new ideas about shaping their career future through workshops and exhibits. This four-day conference is considered the pinnacle of the FBLA-PBL experience, especially for those running for national office. FBLA-PBL has forged partnerships with industry leaders to underwrite competitive events and scholarships for students achieving national ranking.

Many of our state winners from SLC go to represent North Carolina and compete at NLC. Refer to [www.fbila-pbl.org](http://www.fbila-pbl.org) for current dates and location.

### National Fall Leadership Conference (NFLC)

The FBLA National Fall Leadership Conference is an excellent opportunity for students to attend a national conference. FBLA members and advisers from many states in several regions will be participating at the conference. All active local chapters should receive registration materials directly from the national office. If your chapter did not receive conference materials, contact the National Conference Director, Richard Bowen, [conferencedir@fbila.org](mailto:conferencedir@fbila.org). Refer to the calendar of activities for location and dates. Information about the conference is also posted on the national website [www.fbila-pbl.org](http://www.fbila-pbl.org).

### Local Chapter News

Local chapters can make national headlines by submitting articles for FBLA's national publication, *Tomorrow's Business Leader*. Many exciting and innovative activities take place on the local level. These activities can receive national recognition by having them published in the national publication. News for this publication should be sent to the address on the Chapter News Coupon located at the end of this section.

Also, the national office wants to hear about adviser activities. Use the Hotline News Form at the end of the section to send this information to the *Hotline* editor.

Black and white action photos should be included when possible. Be sure to identify the persons in the photo and include a brief description of what the people are doing in the photo.

## NC FBLA State Leadership Conference

The annual NC FBLA State Leadership Conference is an outstanding leadership experience for FBLA members. Information in this section is designed to enable your chapter to have an educational and enjoyable experience. Please read the information in this section carefully. Refer to the calendar of activities for dates and locations.

### Conference Participants

Active local chapters that have paid dues by February 1 are permitted to attend the State Leadership Conference. Delegates must hold **active** membership in FBLA. Each chapter member attending the conference is expected to participate in conference activities. Active participation includes being a competitive event contestant, scholarship finalist, running for state office, assisting in an officer candidate campaign, serving as a voting delegate, or involved in some other conference activity.

### Conference Registration

All persons (delegates, advisers, and guests) attending any of the conference activities must pay the registration fee. **ALL REQUESTS FOR REFUNDS MUST BE MADE IN WRITING NO LATER THAN THE DATE STATED ON THE CALENDAR OF ACTIVITIES.** Full refunds are not given. Refunds for 50% of the registration will be mailed after the conference if the request is received by the designated date posted on the calendar. Substitutions are not allowed once registration is closed. **ALL REGISTRATION MUST BE ONLINE. No *additional* delegates will be permitted to register after the stated deadline.** No on-site registration will be available.

The conference registration fee is used to pay conference expenses, including:

- Conference Breaks
- Meeting Space Rental
- Video Production
- Speakers Fees
- Plaques/Awards
- Security Officers
- Printing
- Decorations
- Disc Jockey
- Entertainment
- Staging
- Adviser Activities

When completing the registration materials, please follow the directions on the web site and on the online Conference Registration Form. Please use a school check or money order. **Do not send personal checks or cash.** Checks should be made payable to **NC FBLA** and mailed to:

**NC FBLA  
6358 Mail Service Center  
Raleigh, NC 27699-6358**

**The **RECEIPT** deadline for registration materials is listed in the Calendar of Activities.**

## **Competitive Events**

The most recent edition of the NC FBLA Competitive Events and subsequent revisions govern all competitive events. These revisions are distributed to the NC FBLA Board of Directors, and posted online as the board approves them.

Advisers, make sure that you are familiar with event guidelines and rating sheets. Also, make copies of the guidelines for your students for their respective events. Make careful note of any eligibility requirements and deadline dates.

**A student may enter an individual event **or** team event AND a chapter event.** Please check the table located in the NC FBLA Competitive Events for middle grade or high school student events.

See the NC FBLA Competitive Events Program for a listing of all competitive events, recognition events, and the event guidelines.

## **Competitive Event Entry Forms**

Generic entry forms have been designed for some individual, team, and chapter projects. They are also available for recognition events. Entry forms are located on the NC FBLA web site and must accompany all projects or recognition events that indicate in the guidelines that they are needed.

**Regional winners MUST RE-REGISTER for State Competition. Since all registration is completed on line, only the local advisor can register a student. The regional board member will submit a list of regional winners to the NC FBLA State Office for verification.**

## Home Site Testing

NC FBLA uses home site testing to administer:

- Accounting II
- Computer Applications
- Desktop Publishing
- Keyboarding Applications II—Middle Grades.
- Keyboarding Applications I—Middle Grades
- Spreadsheet Application
- Word Processing

All local chapters are permitted to conduct the production portion of the competition (Home Site test) at the student's home school. This allows students a better opportunity to demonstrate proficiency on familiar equipment and eliminates the difficulty schools have in bringing equipment to conferences.

Students competing in Computer Applications and Word Processing at the NC FBLA State Leadership Conference must be 1<sup>st</sup>, 2<sup>nd</sup>, or 3<sup>rd</sup> place regional winners. All home site testing event competitors must be registered for the SLC by the designated deadline.

Local chapters must identify an impartial test administrator (**not** a business teacher in the department) to administer the home site test and submit a Test Administrator Identification Form. This person will be required to sign and date a release form indicating that the test has been administered according to regulations and will be emailed along with other specific testing items.

Tests will **not** be emailed until the test administrator/proctor has been identified and the adviser has registered his/her students for SLC and submitted the correct email address on the online registration site.

After the test is completed, all materials emailed (test, administrator release form, guidelines, script, Format Guide, and student's test documents) must be mailed to Mary Jane Thomas, NC FBLA, 6358 Mail Service Center, Raleigh, NC 27699-6358.

It is suggested that local chapters return test packets by certified mail. FBLA will not be responsible for test materials lost in the mail or not received by the deadline. Home site tests are confidential and are not to be copied.

Students participating in home site testing events will also be required to take an objective test for SLC except for Keyboarding I & II (No substitutions can be made for competitors in these events. The student taking the objective test must be the same student who performed the home-site test. Identification may be required.) These objective tests will

contain material related to the specific event. The objective portion of the test will weigh 15% of the final results.

## **Competitive Events with Eligibility Restrictions**

Please refer to the NC FBLA Competitive Events Program to see eligibility for each event.

## **Voting Delegates**

Each active local chapter is entitled to send voting delegates from its active membership to the State Leadership Conference. The number of voting delegates allocated is based on the number of members in your chapter:

Under 50 members	-	2 voting delegates
50 - 100 members	-	3 voting delegates
Over 100 members	-	4 voting delegates

Local chapter voting delegates must be listed on the Voting Delegates Form on page 46. This form must be submitted to the state office when sending conference registration materials.

## **James L. White Scholarship Contributions**

We encourage local chapters to contribute to the James L. White Scholarship Program. Your chapter will earn points toward eligibility for a Gold Seal Chapter Award of Merit and the Helen Ragan Chapter of the Year. Please continue to support this worthwhile scholarship for outstanding business students. The deadline for submitting your contribution and receiving points for Gold Seal is listed in the calendar of activities. A form for scholarship contributions is included on page 47.

## **Advisor of the Year**

Nominations for Adviser of the Year may come from local chapter advisers, FBLA members and local school administrators. After receiving completed nomination forms for this event, the state office will contact nominees requesting additional information to be used by an impartial selection committee. Refer to the Calendar of Activities for the **receipt deadline**.

The form for Adviser of the Year is in the NC FBLA Competitive Events Program.

The portfolio for Adviser of the Year nominees must be received by the deadline listed in the Calendar of Activities. Chapters nominating an adviser for this award should submit the Entry Form to the state office by the deadline listed in the Calendar of Activities.

## State Officer Candidates

Local chapter advisers who observe leadership qualities and commitment in a chapter member should discuss with the member the possibility of applying to become a candidate for a state office position. Advisers should make students aware of the duties and responsibilities involved in serving as a state officer. The duties of each state officer are listed in the NC FBLA Bylaws and in the NC FBLA State Officer Candidate Guide.

A state office is not just a title to be held and enjoyed; but rather, it is a serious and time-consuming task requiring much sacrifice. There are also many rewards. Leadership development activities in which officers are involved may include: State Officer Training, Broyhill Leadership Conference, Institute for Leaders, National Leadership Conference, National Fall Leadership Conference, NC FBLA Regional Conferences, and the State Leadership Conference.

An application and screening information are available in the Officer Candidate Guide, available on the NC FBLA website, [www.ncfbla.org](http://www.ncfbla.org). The postmark deadline for submitting officer application materials: (See calendar for activities).

## Hotel Reservations

The headquarters hotel for the SLC is listed in the Calendar of Activities. For your convenience, a hotel reservation form is included in the SLC online registration information or on the website. Reservations for the conference can be secured only through the use of these forms.

All SLC housing will be handled by the hotel and must be sent directly to the hotel on the *Application for Room Reservations* form. Reservations will not be taken by telephone. Confirmations will be mailed from the hotel to only one person (adviser). After confirmation has been received, reservation changes must be made directly with the hotel.

If your chapter is sharing a room with another chapter, please send only one housing form listing the names of **all** occupants. Please indicate on the form if you are traveling with another school. Housing forms must be received no later than the date listed on the Calendar of Activities and the hotel reservation form. Rooms will be assigned on a first-come, first-served basis. (*Exception: Chapters of board members and regional advisers have priority assignment.*)
