## COMPETITIVE EVENTS PROGRAM

### **MISSION STATEMENT**

The mission of the NC FBLA competitive Events Program is to prepare students for successful careers in business through support for curriculum development and innovative assessment tools. To help meet that charge, this competitive events series has been developed and made available to local chapters for use in assessing students in the various knowledge, skills, and abilities that make up today's business education curriculum.

### **PROGRAM DESIGN AND PURPOSE**

The competitive events series exemplifies the range of activities and focus of FBLA-PBL. These events are based on projects developed from the goals of FBLA-PBL and the curricula of business education programs.

Please see the Chapter Management Handbook for membership criteria. Only ACTIVE members are eligible to compete in the Regional and State competitive events.

### **ADMINISTRATIVE AND PROCEDURAL REMINDERS**

- Each participant may compete in one chapter event and one individual or team event.
- Participants must bring a copy of the prejudged media sent if they want to include it in their performance.
- Performance attendance for prejudged events—presentation of the event must be conducted by participants who authored the event. In the case of a team event, at least one author must give the presentation at the SLC; however, all team members who wish to be recognized as state winners must register for the SLC. No replacement or substitutes will be allowed.
- For NLC all changes to competitive event participation must be made by the first Friday in June. Deletions are the only change that can be made on-site.
- For all events allowing equipment to be used at SLC, the equipment must be provided by the individual, team, or chapter for each event entered. A screen, table, and electrical power will be provided on-site. Access may not be via WiFi, so participants should plan appropriately when selecting laptops/tablets on which to present.
- Microphones will not be used in any events.
- **Preliminary performance** events are not open to conference attendees.
- Videos for Digital Video Production should be uploaded to You Tube or School Tube. These videos should be marked "unlisted."
- Report projects must not have been submitted for a previous SLC.

### **PREPARING FOR COMPETITION**

The NC FBLA Awards Program is a very exciting part of the NC FBLA year. Each active local chapter is allowed to send one (or, in some cases, two or more) representative(s) in each of the regional and/or state events. The knowledge, experience, and motivation gained from competing makes every participant a winner.

Not everyone can go to the regional and/or state conference and take home an award. However, members can increase their chances by working with their advisers to ensure careful advanced preparation, adherence to all relevant guidelines and rules, and by following these tips.

1. Comply with entry procedures and regulations.
  - Check the status of membership dues. Students wishing to compete must be paid members. Refer to the Calendar of Activities for dues deadline dates.

- Ensure that the entry forms are completed properly and uploaded by the date listed on the Calendar of Activities. It is the responsibility of the local chapter adviser to register each student for regional conferences, state conferences, and national conferences. It is the responsibility of the state adviser to enter the names of the national qualifiers in the national database for the national competition.
2. Be familiar with the event guidelines.
    - Check the current edition of the NC FBLA Competitive Events Program for guidelines and a complete listing of individual and team events; team events can be an individual or team of 2 to 3; Parliamentary Procedure which is a team of 4 to 5; LifeSmarts team of 2, and chapter events can be an individual or team of 2 to 3.
    - Refer to the National Website for specific guidelines, rating sheets, and sample materials for most events. There are some events that are only offered at the regional and state level use this guide for information and rating sheets for these events.
    - Make copies of the appropriate guidelines and rating sheets.
    - Become completely familiar with the procedures to be followed in administering the event.
    - Determine from the rating sheets and guidelines exactly what areas will be judged.
  3. Identify and assemble needed resources. Obtain a variety of textbooks on your subject matter to study. Many textbook sources are utilized in the preparation of test questions for the various competitive events. Terminology may vary from one publisher to another, and test questions may be from several sources. FBLA-PBL provides a study guide with preparation tips and sample questions through the FBLA-PBL website <http://www.fbla-pbl.org/web/sectionid/587/module/ce/fbla.asp>. Study materials may also be purchased through the FBLA-PBL *Market Place*.
    - Contact former and current chapter members who have entered this event in previous years.
    - Find mentors and other experts who can help you prepare.
  4. Prepare for the competition.
    - Where appropriate, involve faculty, other members, advisory committee members, and business people. These are excellent resources — use them!
    - Practice makes perfect! Try to recreate as realistically as possible the conditions under which the competition will take place.
  5. Comply with competition regulations.
    - Be familiar with the information to be provided and the deadlines to be met.
    - Make sure that copies of materials to be submitted to judges are error-free and that they are submitted in the proper format.
  6. Do the best you can and enjoy!

Chapter advisers are also encouraged to keep the following points in mind as they prepare their students for participation in the NC FBLA Competitive Events:

- Competitive events are excellent motivating devices; they help to instill the desire to learn and to achieve.
- To be the best generally requires innate ability, high motivation, and many hours of hard work.
- Travel and interaction with students from other schools are tremendous learning opportunities for students.
- Competitive events can be helpful in building school spirit and in publicizing a business program.
- Competitive events should not be used to determine curricula, teaching methodology, time spent on class activities, textbooks to be used, grading procedures, or for teacher evaluation.

- Excessive class time should not be spent on areas covered in competitive events at the expense of other subject matter that should be taught.
- Delaying contestant selection as long as possible is encouraged so that more students are striving for mastery or excellence in a particular area.
- A teacher’s competence should not be judged by the number of winners produced in a period of time. A teacher is not an excellent teacher simply because a student wins a competitive event any more than a teacher is a poor teacher because a student does not win.
- Likewise, the success of a local chapter should not be determined strictly by the performance of its members in competitive events. While an important element of the overall FBLA-PBL program, competitive events are just that — a part. Any activities and programs work together to build a successful chapter.
- Teachers should recognize the value of competitive events, maintain a professional attitude towards the events, and keep them in proper perspective.

## INFORMATION ABOUT FBLA

### ***FBLA-PBL AWARDS PROGRAM***

Competitive spirits, and recognition of excellence, reflect important aspects of the educational process that prepares students for their roles in the American enterprise system.

Today's students demand and deserve learning experiences that enable them to achieve success through effective participation in career-related activities designed to reach professional goals. The NC FBLA Competitive Events Program offers this opportunity by providing support for curriculum development that facilitates practical applications and increases conceptual knowledge of business principles.

## DRESS CODE FOR ALL CONFERENCES

FBLA-PBL members and advisers should develop an awareness of the image one's appearance projects. The purpose of the dress code is to uphold the professional image of the association and its members and to prepare students for the business world. Appropriate attire is required for all attendees – advisers, members, and guests – at all general sessions, competitive events, regional meetings, workshops, and other activities unless otherwise stated in the conference program. Conference name badges are part of this dress code and must be worn for all conference functions. For safety reasons, do not wear name badges when touring.

**See National Website for latest Dress Code requirements:**

<http://www.fbla-pbl.org/about-fbla/>

**Dress Code is required for opening and closing ceremonies.  
You must be in dress code to be recognized on stage.**

**Members will be screened for dress code violations before they will be allowed to go on stage.**

## GENERAL REGULATIONS

- Members must adhere to the dress code established by the Board of Directors in order to participate in a competitive event at the regional or state conference.
- Participants failing to report on time for their event may be disqualified.
- Members must be registered for the conference (following current registration guidelines) in order to participate in a competitive event.
- Reference manuals, textbooks, and other resource materials may not be taken to or used during competitive events. Exceptions to this rule are clearly identified in the guidelines for each individual event. For instance, when events guidelines specify material or equipment that may be used (e.g., a 4" by 6" card or a calculator), only those materials or equipment may be used. If an item is not listed, it is to be assumed that it is not allowed. Individual participants or a participating team must adhere to this event regulation or be disqualified.
- No audio or video recording devices will be allowed in any competitive event. Participants in the team performance events should be aware that the state office reserves the right to record any performance for use in study or training materials.

- Event guidelines call for a receipt deadline. This places the responsibility of getting materials to the regional board member/state office on the local chapter. Chapters should plan ahead and take the necessary steps to ensure that materials are received by the deadline.

## **ELIGIBILITY GUIDELINES**

These competitive events are provided as a membership benefit for the local chapters. Only those students who meet the official membership eligibility requirements and are on record with the state and national offices as dues-paid members on or before the first/second semester dues deadlines are eligible to compete. Membership in FBLA is unified on the local, state, and national levels and is not available separately. FBLA members may participate only in the competitive events associated with their affiliated divisions.

State events are divided into four categories:

- Chapter Events
- Individual Events
- Team Events
- Recognition Events

Members may participate in one chapter event, as well as one individual or team event. They may also participate in a recognition event. Recognition events generally are directed toward:

- Chapters
- Individuals
- People other than members who have provided outstanding support for FBLA

In the case that a recognition event involves a member, such participation will not preclude that member from competing in another individual or team event.

A member may enter only one individual or team event with these exceptions:

- A member taking the State Parliamentarian selection test is not classified as a competitive event participant and may compete in another event.
- A member nominated for "Who's Who in FBLA" or participating in a scholarship event may compete in another event.
- Members that are a part of the Gold Seal Chapters may compete in another event.

Depending on the specific event, the FBLA state office may enter one, two, three or four competitors for competition at the National Leadership Conference. In general, events consisting of a performance (e.g., interview, speech, team presentation) allow one competitor per state. Refer to the individual event guidelines for specific eligibility requirements.

Members participating in an event that is **restricted either to specific grade levels or maximum-training limits** must submit a **current transcript** as proof of their eligibility.

The following regulations apply to all competitive events in the class indicated. Please make sure that you review these guidelines carefully as they will be strictly enforced. Entries not adhering to these regulations, as well as any event specific guidelines, will be penalized or disqualified at the discretion of event judges, depending on the severity of the noncompliance. The state adviser will receive notification of any disqualifications.

### **CHAPTER EVENTS — WRITTEN REPORTS**

See national website for format guidelines:

<http://www.fbلا-pbl.org/media/Format-Guide-Competitive-Events.pdf>

### **INDIVIDUAL EVENTS**

The following regulations apply to all individual member competitive events. Refer to the event descriptions for any additional regulations that might apply to a specific event.

- The local chapter adviser must register participants using the designated registration method. The dates indicated on the Calendar of Activities must be adhered to.
- Participants must be selected in accordance with the regulations of the state and national associations.
- Participants must not have been entered in the event at a previous regional or state conference.
- A local chapter adviser must confirm participants at the registration desk of the regional and state conferences.

- Participants failing to report on time for the event may be disqualified.
- Participants must adhere to the dress code

### **HOME SITE PRODUCTION EVENTS**

**Regional Home Site**—Local chapters must submit with the Event Entry form a Test Administrator Identification Form. The Regional Adviser will send the test, Administrator Release Form, guidelines, script, and return envelope to the identified test administrator. This test should be administered in accordance with the instructions included in the test packet. **Each region may handle this differently.**  
**State Home Site**—Local chapters must upload the Event Entry Form and furnish the Test Administrator Identification Form by the date given on the Calendar of Activities. Directions will be emailed to you.

After the **regional test** is completed, all materials (test, Administrator Release Form, guidelines, script, data diskette and student's test documents) will be placed in a return envelope and mailed to the Regional Adviser by the stipulated deadline. Tests not postmarked by the deadline will be disqualified. It is suggested that local chapters return test packets by certified mail. FBLA will not be responsible for test material lost in the mail or not received by the deadline. **State test** will be uploaded. Directions will be emailed to you.

### **EVENT COMPONENTS**

In addition to events being categorized as Individual, Chapter, or Team, you will want to know what the competitive event components are. The options are:

- Prejudged – All events that require the student to submit material such as reports or CDs, to be judged before the conference starts are called "Prejudged". Often an event will have more than one component and Prejudged is one of the components.
- Objective –This is an online test that will be administered at the school.
- Performance – Performance events require an active participation on behalf of the students. These events will require the student to stand and orally defend his/her project.
- Home Site –These are production tests that are administered prior to the regional/state conferences at the home school by a non-business teacher proctor. Please refer to the events to see what the components are for each event. See the individual event guidelines for administering procedures. Each of these events also has an on-line objective test portion.
- Demonstration – The demonstration of a project on a specific topic provided in the event guidelines. Competitors may use technology, equipment, and/or visual aids as part of the presentation.

## COMPETITIVE EVENTS, PROJECTS & RECOGNITION

NC FBLA offers many competitive events for both middle and high school levels. Though we closely follow the guidelines of National FBLA, we do not offer every event that they offer. Similarly, National FBLA does not offer all of the events that are offered through NC FBLA.

Before a competitive event is selected by NC FBLA, an evaluation is made to insure that a business course in the Standard Course of Study supports the skill requirements of the event. If there is not a business course with a specific business course number that is being taught to support it, the event is not offered. Please refer to the Standard Course of Study for a listing of these courses. You may find this on the DPI website at:

## PARLIAMENTARY PROCEDURE – HIGH SCHOOL

### State/National Event - (Individual or Team)

This event recognizes FBLA members who demonstrate knowledge of the principles of parliamentary procedure. This event is based on team rather than individual competition. Team participants develop speaking ability and poise through competitive performance.

However if the chapter does not have a team that will be participating, but has a student that wants to take the test to qualify for State Parliamentarian, they can register this student for the Parliamentary Procedures event. Under this circumstance this can then classify as an individual event, but is otherwise a team event.

### ELIGIBILITY

Each local chapter may submit **one (1) entry** at the state level for an individual member (see information above) or by a team of four (4) or five (5) persons (a president, vice president, secretary, treasurer, and an additional member) from an active local chapter and be on record in the FBLA state office as having paid dues by the second semester membership dues deadline. No more than two (2) members may have participated previously in this event.

Selection of the state parliamentarian is made from those team members or eligible state candidates who meet the following criteria:

- Are active members.
- Have one or more years remaining in FBLA.
- Have the support of local chapter adviser(s), parents, and local administrators.
- Score highest on the state parliamentary procedure written test at the State Leadership Conference.
- Are able to attend the events and activities planned for all state officers.

### OVERVIEW

This event consists of two (2) parts: an objective test and a performance component

Through a partnership with the National Association of Parliamentarians (NAP), questions for the parliamentary procedure principles section will be drawn from the NAP's official test bank.

The case problem will be given to simulate a regular chapter meeting. The performance should demonstrate critical thinking and problem solving skills, exhibit good communication skills, effectively present the case, and all team members must contribute to the presentation.

**See the National Website for Rating Sheet.**

### GUIDELINES

#### Objective Test

- A one (1) hour on-line objective test will be administered based on the previously listed competencies.
- An event entry form must be **MAILED** along with the SLC registration confirmation check by the date given on the Calendar of Activities.

- The team may use the preparation time to consider procedure. Parliamentary procedure reference materials may be used during this preparation period but not during the performance itself.

- The problem may or may not include class of motions, but all five (5) classes of motions – main, subsidiary, privileged, incidental, and motions that bring a question again before the assembly –

must be demonstrated during the performance.

- No reference materials, visual aids, or electronic devices may be brought to or used during the performance.
